markilux

The best under the sun

Outdoor living in a new light. And colour.

Make way for the cassette awning markilux MX-4. Designed to shade large areas, its avant-garde design and all-round styling panel are compelling. Product design – both functional and attractive. With the innovative lighting options and the additional wall lights, it shines brightly in the evening and creates spectacular and enchanting lighting effects. Raising the curtain on a great composition.

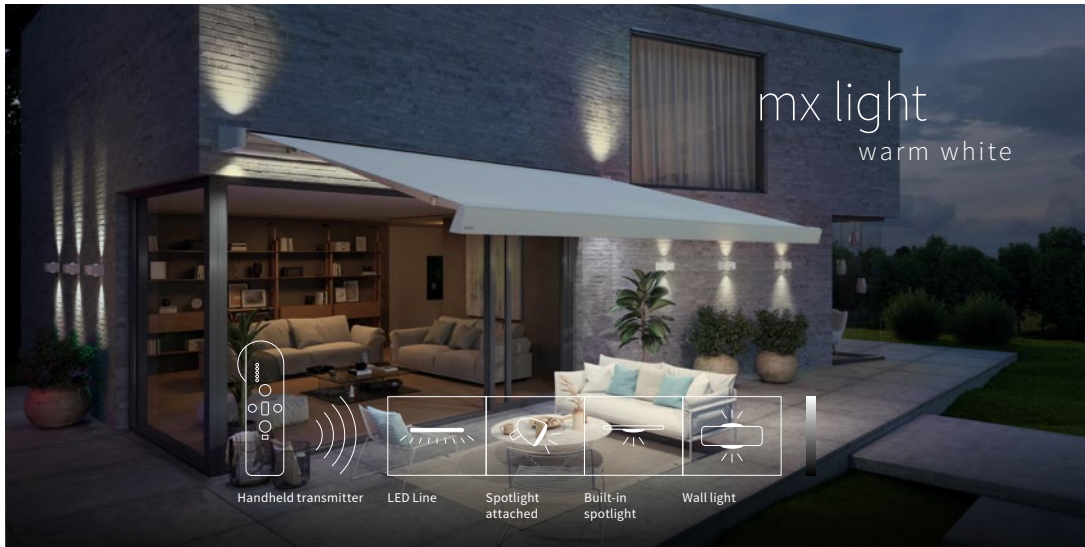

markilux MX-4 Wandleuchten

Magical trio. Light. Form. Function. markilux MX-4 wall lights enrich outdoor living with a uniform overall appearance during the day and lighting full of atmosphere in the evening. Illuminates the area above, below or in both directions.

LED Line in the cassette

LED Spots in the front profile

Warm white light: control and dim it via the markilux io-5 designcontrol 5 channel hand-held radio remote control.

Coloured light in a selected colour spectrum: control and dim it via the App and a Bridge supplied on site (Philips Hue) in the Zigbee radio standard.

Coloured light and light scenarios: configure, administer, control and dim via the App, fitted with smart light sources (Philips Hue GU10 smart Spot) and a Bridge supplied on site (Philips Hue) in the Zigbee radio standard.

Clear form. Soft curves.

For contemporary architecture – and people who place a high demand on design, functionality and durability.

Individual options

Cassette and front panel colours can be combined freely in the standard markilux colours and emphasise individuality, taste and style.
